Dear Alumni, Families, and Friends,

It is with deep appreciation that I once again have the privilege of extending a sincere “Thank you!” to the entire Lawrence Academy community for a truly inspiring and successful year of fundraising for LA. As you will see in the following pages, our most devoted and committed supporters – the Board of Trustees, alumni, parents, faculty, staff, and friends – have generously gifted in support of the school to bolster immediate and long-range resources to enhance each and every student’s educational experience.

Whether in the form of annual giving, capital, or endowed commitments, this generosity and dedication exemplifies the positive impact LA has had on countless lives and the desire to give back to the school. That collective philanthropic support enabled us to exceed our Annual Fund goal of $1.4 million and provided an invaluable and immediate impact on our academic programs, the arts, athletics, faculty enrichment, and community life.

Adding to our enthusiasm as we enter the start of the 2016–2017 school year are gracious moments of individual philanthropic leadership: One, directed to the theatre program, an endowed gift that will provide growth and learning opportunities for students and faculty to collaborate with outside experienced theatre professionals both on and off campus, and another transformative endowed gift that was committed through a planned gift that will benefit the school in perpetuity.

These superlative contributions are powerful examples of the commitment so many of you feel to Lawrence Academy. As I’ve written and said before, your belief in our mission, continued involvement in our community, and ongoing, generous support of Lawrence Academy is evidence of your dedication, which continues to inspire everyone on campus to reach higher and achieve greatness every day.

This year, as we look to enrich our vibrant community, there will be many exciting, transformational possibilities and opportunities, and we look forward to engaging you in the work that we do to strengthen the school’s mission. If you are in the area, please pay us a visit. Or, if an on-campus visit is not possible this year, I invite you to attend one of the many regional events we will be hosting. We hope you can catch up with old friends, reminisce, and learn more about what it means to be a student at Lawrence Academy today.

Warm regards,

Betsy Cote
Director of Development
Lawrence Academy
Leadership Giving

Leadership Giving represents those donors who have contributed $1,000 or more to the 2015-2016 Annual Fund or Senior Parent Gift. Leadership gifts account for 91 percent of the Annual Fund total and serve as the core foundation of the financial support that advances the educational mission and programs of the school.

We greatly appreciate the remarkable generosity and support that each and every one of our leadership donors provides.

Alumni Giving

Lawrence Academy relies on its alumni for philanthropic support to advance the mission of the school and provide LA’s current and future students with the resources to experience the best education possible. Alumni serve and help promote the school in many ways – as Trustees, Alumni Council members, Class Agents, Ambassadors, Reunion, Social and Giving Chairs, MLK Day Workshop participants, and regional event hosts. We are truly grateful for all that our alumni do in support of the school.

Current Parent Giving

Lawrence Academy benefits greatly from the philanthropic support it receives from current parents, and this past fiscal year, LA’s parents provided remarkable support. Gifts were received at every Leadership Giving Circle level, and parent participation remained strong. Through the gracious generosity of LA’s parents, the total dollars raised for the Annual Fund and Senior Parent Gift totaled $1,659,627. This impressive display of support broadcasts a strong message to all of LA’s constituents about how invested our current parents are in advancing the school. A special thanks goes to Peg and Ted Bernhardt for serving as Parent Fund Committee Co-Chairs and to the entire Parents Fund Committee.

Senior Parent Gift
The Co-Chairs of the Class of 2016 SPG, Chris and Kirsta Davey and Phil and Liz Gross, provided the drive and determination toward achieving fundraising success for the Senior Parent Gift campaign. Combining with the Class of 2015 SPG, the Class of 2016 SPG completed the visionary goal of providing capital funding for a new campus entrance along with continued support for the Annual Fund. The Co-Chairs and SPG Committee worked with focus and dedication right up until graduation to complete the campaign.

Parents of Alumni and Friends

Parents of Alumni and Friends of LA Giving

The philanthropic support Lawrence Academy receives from parents of alumni confirms the value of the educational experience their children benefitted from as they continue on to their higher education journeys and careers. The Academy’s mission and strong community appeal not only to those who benefit directly, but also to widows, widowers, children of alumni, Groton-area residents, and friends of the Academy who have donated to help advance its goals. We are truly grateful for the continued, loyal generosity the school receives from these individuals.

GROUNDED AND GROWING
The 2016 Parents’ Association Spring Social was a fabulous evening and remarkable success. More than 200 guests attended the annual event and helped to raise over $40,000 in support of the Annual Fund. The event took place on the terrace of the McDonald Library and included a silent auction with some wonderful items to bid on. With the incredible backdrop of Gibbet Hill, everyone enjoyed an opportunity to gather and celebrate all of the wonderful support LA receives to advance the school’s mission. A very sincere thanks goes to all who contributed to the success of this year’s event.
